

QuaMMELOT

ACTIVITY 3

Dissemination and transfer of knowledge

Timing: 8 hours for teachers

TASK

The transfer of knowledge is proposed as a final activity. That is to say, it is intended that this course can be made known and that more and more fellow teachers are encouraged to do so. For this reason, as a participant we propose you to produce a document in an attractive, concise and visual format that includes the following aspects:

- Purpose of the course.*
- Importance for teaching practice.*
- Witness as a participant.*
- Opportunities offered by the course.*

PRODUCT 4

A free document will be delivered, it can be: brochure, poster, text document, image, etc. The teacher will have the opportunity to create and give free rein to his imagination to complete this task.
