Erasmus + 2014-2020

Kick Off Meeting

Florence – 26th-27th March 2018

Provincia di Livorno Sviluppo ltd

Federica Lessi

Provincia di Livorno Sviluppo srl

Provincia di Livorno Sviluppo is:

- the in-house company of the Province of Livorno and Port Authority Livorno/Piombino established on 31/05/2000 with a consolidated experience in Eu funded projects implementation
- the managing organization for the various programmes in which the Province of Livorno and Port Authority takes part
- a body for development, research and training/guidance activities

The mission

The company's mission is:

- the creation and enhancing of tools to help economic development of the local/regional area for the implementation of regional, national and EU projects
- the promotion of initiatives on both the public and private sector in support of employment, stimulation of the economy and marketing as well as providing support for policies directed to sustainable development and innovation at local/regional level
- the implementation of projects and initiatives related to EU Programmes

The company is a training and guidance agency accredited by the Tuscany Region, certificated according to the management system for the quality **UNI EN ISO 9001 LLL, VET**

Activities/1

PLIS interventions focus primarily in the areas of:

- Lifelong learning and vocational training
- labor market, employment local strategies
- social inclusion
- gender equality
- logistics, maritime and port sector
- all other areas of economic interest for local development
- transnational cooperation and network building
- management of services and activities in several areas related to the needs expressed by Provincia di Livorno and Port Authority (its shareholders)

Activities/ 2

To this end, the company participates in Regional, National, EU (ESF, ERDF) calls that can offer real opportunities for funding projects of interest of the province of Livorno on the following Programmes:

- Erasmus + 2014 - 2020
- P.O. Italy-France Maritime 2007-2014 and 2014-2020
- LIFE,
- Horizon 2020,
- Twinning,
- Criminal Justice, etc.
- Regional Programmes (POR Region of Tuscany).

PLIS, besides the management of its own projects, provides project planning, management and reporting in the projects in which Province of Livorno and Livorno Port Authority assume the role of applicant or partner.

The partners' network

- PLIS works in partnerships with various institutions, regional and local authorities and social partners
- It has a broad network of transnational relationships with partners from: Spain, Portugal, U.K., Ireland, France, Nederland, Denmark, Sweden, Germany, Poland, Hungary, Romania, Czech Republic, Croatia, Slovenia, Lithuania, Greece, Malta, Russia, Ukraine, Cyprus, etc
- It is an observatory member of the EARLALL European Association
